ANNUAL REPORT
OF THE
SUPERINTENDENT OF
SCHOOLS,
OF THE TOWN OF
NEW IPSWICH, N. H.,

For the Year Ending March, 1879.

FELLOW CITIZENS:

The past year has been quite a successful one, as regards our Public Schools. Most of the districts have been favored with faithful and experienced teachers, and I think fully an average amount of progress may be reported. I can but feel, however, that our finances could be regulated and the general character and excellence of our schools greatly enhanced, by entrusting their management to a carefully selected Board of Education, rather than to continue the present Prudential System. Below is a report of the schools in detail, with the "Roll of Honor" for each district, composed of the scholars who have been neither absent or tardy during the term or year, except on account of sickness, which is excused.

DISTRICT No. 1.

Hiram P. Stevens, Prudential Committee.

This school has been in experienced and skillful hands all the year, and excellent progress is the result. The Winter term was much broken by the severe colds, which went the rounds among the children, as well as grown people, at the time. Miss Anna A. Goldsmith taught the Spring and Fall terms, and Miss Lizzie M. Hale, the Winter term.

An entire new set of Outline Maps, purchased during the year, adds much to the appearance of the school-room, and will be very useful to teachers and scholars.

ROLL OF HONOR.

First Term; Henry A. Cushing, Hattie Mabel Donley, Edith I. Hatch, Mamie M. Larkin, Marilla F. Mitchell, Mabel A. Putnam, Mamie E. Robinson, Ella F. Russell, Maud A. Stevens, Jennie M. Stevens, Hattie F. Thayer, Nettie A. Thayer, Mary L. White, Minnie S. White, Hattie M. White, Freddie Burton, Willie T. Donley, Willie A. Preston, Wilbur L. Phelps, Charlie F. Stevens.

Second Term; Hattie L. Chandler, Flora G. Davis, Ellen C. Gibson, Jennie M. Houston, Edith I. Hatch, Mamie M. Larkin, Marilla F. Mitchell, Mamie E. Robinson, Maud A. Stevens, Jennie M. Stevens, Hattie F. Thayer, Nettie A. Thayer, Mabel L. Thayer, Gracie J. Thayer, Mabel Youell, Freddie Burton, Willie A. Preston, Charlie F. Stevens, Gertie E. Chandler.

Third Term, (up to time of going to press.) Hattie F. Thayer, Nettie A. Thayer, Fannie E. Bailey, Maud A. Stevens, Edith I. Hatch, Jennie M. Stevens, Wilbur L. Phelps, Charlie J. Adams, Freddie C. Burton, Charlie F. Stevens.

DISTRICT No. 2.

A. R. Tenney, Prudential Committee.

The Summer term, of nine weeks, was under the care of Miss Addie F. Robbins, who had experience in teaching; the impressions received from visits to the school, and examination were very satisfactory.

Second term, Miss George M. Hayward teacher, Miss Hayward was welcomed by her scholars, as this is not her first term in the district, and a happy and prosperous school resulted. The examination was very good.

ROLL OF HONOR.

Summer Term; Eda L. Mansfield, Edith E. Parker, Freddie C. Parker, Georgie L. Jowders, Harry J. Parker, Frank W. Mansfield.

Winter Term; Willie C. Pratt.

Both Terms; Mary L. Tenney, Freddie J. Pratt.

DISTRICT No. 3.

B. Sawyer, Prudential Committee.

Summer term, Miss Hattie E. Winship, teacher.

Winter term, Miss Mary F. Whipple, teacher. This school is quite small, only five scholars, and of course it is difficult to create that interest, which is often manifest in

larger schools. Both these teachers labored faithfully and were quite successful.

ROLL OF HONOR.

First Term; Minnie C. Hodgman, Lillian A. Winship, Eunice E. Winship.

Both Terms; Bertha E. Wheeler.

DISTRICT No. 4.

Frederic W. Jones, Prudential Committee.

Mr. Jones has made many improvements in the School-room, in this district, and with the aid of friends interested in the school, has added some fine illustrative apparatus, consisting of maps, a globe, dictionary &c., so that now the room is one of the most attractive, and best fitted in town. We wish other districts and committees could furnish their school-rooms in like manner; it would help the teachers to illustrate what they teach, and awaken a new interest among the pupils. The three terms of this school have been in excellent keeping: Miss Parry in the Summer and Fall terms, so exercised her experience and earnest effort, as to attain fine success, and much improvement was shown at the examinations. Mr. Lane in the Winter term, had several quite advanced scholars in addition to those who were present at the other terms. He secured the love and respect of his scholars, and awakened an enthusiasm in their studies which led to rapid progress.

ROLL OF HONOR.

First Term; Jessie D. Chapman, Mary R. Parry.

Second Term; Nellie M. Chapman, Jessie D. Chapman, Abbie L. Balch, Lizzie M. Wilkinson.

Third Term; Ella Balch, Abbie Balch, Daniel Putnam, Edwin Davis.

Whole Year; Ida B. Davis, Eliza J. Davis.

DISTRICT No. 5.

Charles Wheeler, Prudential Committee.

Miss Hattie A. Wright, teacher Summer and Fall terms. This was Miss Wright's first effort at teaching. She obtained the love of her scholars, and labored faithfully for their improvement. The second term was somewhat broken in upon by the illness of the teacher.

Miss Sarah Parry had the Winter school, and the examination showed that steady work had been done all the term. Miss Parry takes an interest in her work that can not fail to be productive of success.

ROLL OF HONOR.

First Term. Eva A. Maxwell, Herbert C. Blaney.

Second Term; Eva A. Maxwell, Emma Goen, Katie Goen, Charlie L. Knowlton, Charlie Wheeler, Freddie Wilkinson, Walter Robertson.

Third term; Willie Wetherbee.

Whole year; Hattie A. Wetherbee, Susie E. Blanchard.

DISTRICT No. 6.

John B. Farwell, Prudential Committee first of the year, and Thomas J. Hunt, the latter part.

The Summer school consisted of only two pupils. Miss Nellie Fletcher was the teacher. She was faithful and earnest and kept her two scholars so interested, that they made good progress.

The Winter term had Miss Annie C. Cutter for a teacher and was a success. There were some more scholars than in the Summer, and they showed much improvement at the close of school.

ROLL OF HONOR.

Both Terms; Ella M. Hill, Willie S. Hill.

DISTRICT No 7.

J. Otis Wheeler, Prudential Committee,

Miss Hattie E. Keyou had her first experience, teaching, in the Summer school in this district, and she seemed to be successful and earnest in her work.

Edward P. Seymour had charge of the Winter term, and worked faithfully to instruct those under his care, and they improved well.

ROLL OF HONOR.

First Term; Lillie J. Nutting, Gertie M. Nutting, Izzie M. Nutting, Frankie Nutting.

Second Term; Guy Blanchard, Orville Marshall.

Both Terms; Charlie Whitney.

DISTRICT No. 8.

James G. Lawrence, Prudential Committee.

Miss Hattie D. Gordon was the teacher in both terms, and the school improved under her efficient management. The examinations were quite satisfactory.

ROLL OF HONOR.

First Term; Ellen M. Wright.

DISTRICT No. 9.

Marshall P. Wood, Prudential Committee.

Miss Lizzie Spaulding was teacher, the Summer term, and it was her first school. There was a lack of quiet and order, which are essential to success, and of course not as much improvement was made on that account.

Edward P. Seymour, teacher, Fall term. Mr. Seymour was very successful in this, his first effort in teaching, and the progress made is spoken of as very commendable; a severe storm occurring examination day, prevented my attendance.

ROLL OF HONOR.

Second Term; Lillian E. Burnap, Emma L. Wood,

George H. Brooks, Oliver N. Brooks, Walter R. Burnap,
Talbot McIntire.

Both Terms; Fred McIntire, Willie M. Wood,

DISTRICT No. 10.

James E. Carr, Prudential Committee,

Two terms, Summer and Fall, both in care of Miss Annie A. Cutter. Another small school, but Miss Cutter was patient and energetic, so that good results were obtained and progress shown in both terms.

ROLL OF HONOR.

Second Term; Martha E. Lawrence.

Both Terms; Emma L. Carr, Leslie J. Carr, Theodore P. Carr, Earnest E. Carr, Roy D. Carr.

DISTRICT No. 11.

Charles B. Preston, Prudential Committee.

This year, as last, Miss Helen E. Hood taught all the three terms in this district, and with very happy results, as the examinations all proved; very thorough drill was shown in every study, and the recitations and exercises demonstrated the pains which must have been taken by the teacher, to secure so high a standard.

ROLL OF HONOR.

First Term; Charlie Goodwin, Charlie Thomas, Hattie Smith.

Second Term; Charlie Goodwin, Carrie Tenney, Nellie Cavanaugh.

Third Term; John Bassett, Earnest Chapman.

Whole Year; Bertie Preston, Willie Preston.

DISTRICT No. 12.

John S. Taylor, Prudential Committee.

The beautiful new school-house, built in this district during the past year, reflects much credit on the building

committee, who had the matter in charge. A complete new set of maps on the walls, and the fine desks and table render the school-room very attractive.

Miss Nellie F. Moreland had the care of the school the whole year. This is rather a difficult school to teach on account of the number, who attend, who are unable to speak our language with much facility, but Miss Moreland's patience did not fail her, and the appearance of the school at the visits made showed that her efforts were successful.

ROLL OF HONOR.

First Term; Nellie Cavanaugh, Winnie Burdick, Sarah Boss, Flora Cowdry, Annie Le Court, Alice Taylor, Frank Caderette, Peter Le Court.

Second Term; Annie Le Court.

DISTRICT No. 13.

William T. Bucknam, Prudential Committee.

Miss Lizzie M. Hale taught both the terms in this district, with her usual success. The children learned rapidly, and presented a fine appearance at the examinations, with their ready knowledge of the studies pursued. The quiet and orderly conduct of the school was a prominent feature in all the visits made.

ROLL OF HONOR.

First Term; Harry Heyward, Katie Bucknam, Winnie Davis.

Second Term; Irving Moreland, Charlie Hardy.

Both Terms; Charlie Barrett.

REMARKS.

The Committee appointed by the Selectmen, to revise the text books used, consisting of William A. Preston, Rev. J. P. Perry and your Superintendent, after careful examination, arranged for the introduction of Harper's Geographical Series, White's Arithmetics, and Harvey's Grammar.

Each of the school districts were supplied with a complete set of the new books for the teacher's reference. It is hoped that the change will give satisfaction, and so far as teachers have spoken of it, the reports are highly commendatory. Most of the children, at present, seem to be provided with all the necessary books, but heretofore, it has been a source of much annoyance to teachers to get along with the meagre allowance of books for the children; I hope that parents will take an interest in this matter, and see that the little ones are as well equipped with requisite outfit for acquiring knowledge, as you would wish them to be with capital in business, or tools and machinery in Agriculture or Manufacturies. No books should be allowed in any school, except those which have been introduced by authority from the town. The Franklin Readers, Harper's Geographies, White's Arithmetics and Harvey's Grammars are the ones now in use and to introduce any others would be to make confusion and extra labor for the teacher.

ATTENTION

is called to the following quotations taken from Laws passed at the last session of the Legislature.

"Any person, whether male or female, but in all other respects, except sex, qualified to vote in town affairs, may vote at any School-district meeting in the district in which such person has resided and had a home one month next preceding such meeting." "School-districts having

less than twelve to attend any term of school, may by vote at their annual or other legal meeting called for that purpose, authorize the Prudential Committee to provide for the attendance of pupils at the schools of adjoining districts, the selection of such schools to be approved by the School Committee of the town, and in such cases the prudential committee is authorized to appropriate an amount not exceeding ten per cent, as in section first provided,* and to divide the remainder of the money appropriated for the term in the district, among the adjoining districts, in proportion to the pupils by them received."

I trust that the mothers and ladies interested in our public schools, (as all should be,) will avail themselves of the new law and lend their presence and aid in district school-meetings. Any helps toward consolidation in our small districts, which may be suggested in the extract quoted, will, I hope, be voted, and if possible, made use of.

Our money does not go as far as it might with fewer schools, or do as much good.

All of which is respectfully submitted.

JOHN W. CUMMINGS,

Superintending Committee.
